

# Council Briefs

The Torrance City Council, meeting at 5:30 p.m. Tuesday, considered the following matters:

Received protests to proposed master plan of zoning for Victor Precinct and took matter under submission. A work session of councilmen was called for 7 p.m. Jan. 16 to discuss the proposal.

Approved first reading of ordinance setting up annexation to the city's uninhabited territory designated as "Lomita Flight Strip." A protest submitted by Mrs. Don Meyers, 29525 Narbonne Ave., Lomita, was overruled.

Adopted ordinance at first reading approving reclassification of property from A-1 to R-1 in area of 171st Street and Faysmith Avenue.

APPROVED at first reading ordinance reclassifying property near 174th Street and Yukon Avenue on petition of Paul Milburn. The zone is being changed from R-3 to C-3.

Granted variance to petitioner Maurice Wisdom for variance to R-1 property at 18313 Roslin Avenue.

Denied claim of city of Los Angeles for damages to vehicle allegedly sustained when struck by city of Torrance vehicle at County Dump. Claim referred to city attorney.

Granted request of Earl E. Sanders for relief from cash bond for curbs and sidewalks at 23811 Ward St. on condition that property owner sign agreement to install the improvements when the city is able to furnish information on grade.

CONCURRED in recommendation of City Engineer Walter Nollac to release subdivision bond for tract 19910 developed by George Steinkamp.

Accepted street easement deeds submitted by engineering department.

Approved relocation of vacuum release air vent on Dominguez Water Corp. line to permit widening of Emerald Street. The sum of \$310.76 was allocated for the project.

Approved application to erect oversized signs at White Front Store at 21250 S. Hawthorne Ave. on recommendation of Building Superintendent Lee Schless that the signs would not interfere with others in the area.

APPROVED request of Foods Co. Markets to conduct ride promotion Dec. 26 through Dec. 31.

Filed communication from city's Park and Recreation Commission concurring in Council efforts to obtain park site in Marble Estates.

Ordered a resolution signifying intention of city to purchase land from State of California known as Lomita Flight Strip.

Sent to City Manager Wade Peebles a recommendation of the Park and Recreation Commission to seek recreation rights in sump in Marble Estates tract.

APPROVED a plan to permit use of part of the civic center for playing areas at request of Torrance Youth Sports Council.

Adopted resolution authorizing execution of lease on airport to Ray Vane, Inc., Chrysler dealer, to establish auto agency and indicated he would be permitted to operate agency in temporary quarters until permanent buildings could be erected.

APPROVED request of Ardanaz Brothers for decrease in rental of agricultural land on the airport as the farmable areas have been greatly reduced through construction of airport property.

Concurred in request of Aero-Care to sublease part of property on municipal airport.

Held a request of Jefferson, Inc., for approval of preliminary drawings of Rolling Hills Plaza Shopping Center additions until meeting of Jan. 3, 1963 to permit members of the City Council to study plans.

CONCURRED in request of E. G. (Slim) Kidwell for re-

moval of rent ceilings on T-hangers in his airport leasehold.

Approved signs for theater on Rolling Hills Plaza Center site.

Instructed City Attorney Stanley Remelmeyer by resolution to begin condemnation proceedings in South Torrance Sewer District No. 4 for property needs for the project.

ADOPTED ordinance at first

reading changing classification of assistant superintendent of building.

Adopted as urgency ordinance an extension of deadline for Torrance dairies to remain in the city from Jan. 1, 1963 to July 1, 1963.

Approved recommendation that City Clerk Vernon Coil be given additional duties and additional pay above his base salary.

HELD FOR STUDY proposed

changes in the city's commercial improvement ordinance.

Authorized allocation of an additional \$212 to purchase refrigerators for the Torrance Fire Department after delivery of one authorized last week proved to be like the man who built a boat in his basement. Firemen were unable to get the huge box to the second floor of the station where kitchen facilities are located, so they were authorized to purchase two smaller ones with the same capacity.

Received word that top offi-

cial of Santa Fe Railway would be in Los Angeles after Jan. 1 and would meet with city officials to discuss property at Sepulveda and Crenshaw which the city is seeking to secure as the site of a four-year state college.

DECLINED to go along with Governor Brown's proclamation that Dec. 31 be declared a holiday, and instructed City Manager Wade Peebles to follow the same holiday procedure that has been followed in past years for the days before
